

1- Personal information : CARMEN CIOTONEA

 Dunkerque, 59240, France

 carmen.ciotonea@univ-littoral.fr

Date of birth 04/12/1986 | **Nationality** Romanian

2- Scientific background:

2021-present- Assistant Professor: Engineering School Littoral Opale Coast (EILCO)
Unité de Chimie Environnementale et Interactions sur le Vivant (UCEiV) UR-4492

2018-2021 - Young researcher: University of Lille, “PYROCAT” project.

2015-2017 - Young researcher: University of Lille, “UPCAT” project.

2011-2015 - PhD: University of Poitiers (FR) and Technical University “Gh. Asachi”, Iasi (RO).

2009-2011 - Master: Technical University “Gh. Asachi”, Iasi, Faculty of Engineering Chemistry and Environmental protection.

2006-2009 - License: University of Craiova, Faculty of Chemistry.

3 – Teaching at Engineering School Littoral Opale Coast (EILCO)

- Combustion and Depollution technologies
- Process Engineering
- Decarbonation Technologies
- Hydrogen Technologies
- Critical Raw materials and Waste valorization

4- Distinctions & Grants:

-**Excellence Eiffel Fellowship** (01/09/2013-30/06/2014);

-**Erasmus Socrates Fellowship** - training agreement (10/01/2012-10/07/2012);
